

CAL Business Solutions Inc. Honored for Microsoft Competency Award at 2007 Microsoft Worldwide Partner Program Awards

Harwinton, CT, USA — Sept. 11, 2007 — Today, CAL Business Solutions Inc. proudly announced it has won the East Region Partner Competency Award for Microsoft Dynamics GP at the 2007 Microsoft Worldwide Partner Program Awards. The company was chosen out of an international field of top Microsoft Partners as delivering market-leading customer solutions built on Microsoft technology. The awards were distributed at a ceremony on July 11 in Denver, CO at the Microsoft Worldwide Partner Conference – an event with more than 10,000 Microsoft partners, industry experts, speakers, exhibitors and Microsoft executives in attendance.

“For a small company in Connecticut to be chosen from among thousands of companies around the world is a huge accomplishment for our team,” said George Mackiewicz, President of CAL Business Solutions said George Mackiewicz, President of CAL Business Solutions. “The fact that this award was voted on by our peers in the Microsoft community makes the honor worth even more to us. We are proud that we have earned their trust and respect.”

Awards were presented in a number of categories, with 16 winners chosen from a pool of more than 1,800 entrants worldwide. CAL Business Solutions was recognized for superior technology and innovation in the Microsoft Dynamics Competency. The Competency award recognizes exceptional expertise or competency by a partner in a specific industry, vertical, solution or segment. It also celebrates the partners’ commitment to their specific area of specialization.

“The Partner Program Awards gives Microsoft the opportunity to recognize its top partners at a global event,” said David Willis, vice president for Microsoft’s Small and Mid-market Solutions and Partners (SMS&P) in the East Region. “As the cream of the crop, these partners go above and beyond to help our customers reach their full business potential. We look forward to these partners continuing to raise the bar in the design and deployment of customer solutions built on Microsoft technologies.”

The Microsoft Partner Program Awards recognize Microsoft Partners that have developed and delivered exceptional Microsoft-based solutions over the last year.

Founded in 1982, CAL Business Solutions is a Microsoft Gold Certified partner dedicated to providing high-quality, affordable accounting software solutions. Since 1997 CAL has helped nearly 200 organizations improve business productivity using the Microsoft Dynamics GP (formerly Great Plains) financial management system. A dedicated in-house development team, a strong focus on providing seamless system integration and a commitment to outstanding customer service has helped CAL achieve membership in the prestigious Microsoft Dynamics President’s Club six times. The highly trained CAL staff is made up of 18 seasoned accounting, finance and development professionals who average more than 10 years of field experience.
